

Enjoy leisure activities with the Nuorisopassi application

Nuorisopassi is a discount and benefit application offered by the City of Pori for local young people. With the application, young people can participate in various leisure activities and hobbies for free. The benefits are personal and vary by grade.

Nuorisopassi is a mobile application that you can download on your smartphone. The application is available in Finnish and English.

- Download the application from the app store
- Select Google as your login method
- Log in with the Edupori e-mail credentials provided by the school

If you have Google Family Link on your phone or if you have other problems logging into the application, please contact nuorisopassi@edupori.fi.

Using the application at a service point:

- Open the benefit you wish to use in the application
- Click "Use the benefit"
- Confirm
- Show the staff the "Benefit in use" screen

Please inform the teacher or the school secretary if you do not have access to a smartphone. The benefits can also be obtained without the application.
